

## Directions for Bingo Cards

1. Print out bingo cards on cardstock. Laminate or place in sheet protectors for durability.
2. Print out calling cards and cut out. Fold cards and place in hat, box, or bucket.
3. You can use a variety of objects as markers. Some ideas are:
  - cheerios
  - skittles
  - marshmallows
  - shiny "jewels"
  - imitation gold coins
  - pieces of torn paper
4. To play, hand out a bingo card for each student. Pick a folded word card from the hat, box, or bucket and say it aloud.  
Students are to put a place marker on the word that was called. You can play 5 in a row or cover all.
