

Directions for Vertebrates and Invertebrates

1. Print out vertebrate, invertebrate cards and control card.
Laminate for durability.
- 2 Place the invertebrate and vertebrate picture cards in one pile (mix them up) on the side of the workspace.
Place the heading cards ("invertebrate" and "vertebrate") at the top of the workspace.
- 3 Pick up the definition cards one at a time, read them aloud and place them under the correct heading card (as shown below)
- 4 Pick up the picture cards one at a time and place them in the correct column.
